

## Red Lodge Ropes Course

# Teamwork Experience

Fun, Connection, Excellence

### Improve your team's performance quickly!

The business world has changed and being average doesn't cut it anymore. Attaining excellence has to be one of your top priorities.

#### Teamwork Experience is designed to:

- Improve communication & collaboration
- Enhance strategic thinking & problem solving
- Create a more cohesive team

#### Your team will understand:

- how they approach tasks
- how to leverage personal strengths
- new ways to work through problems in the workplace

Highly interactive, problem solving challenges will encourage your team to work together to achieve shared goals

Expert facilitation will ensure your team knows how to apply learnings back at work.

This program **does not** include any high rope challenges.

*"A half-day of play will do more for teamwork than a year working in the office"*
