

Red Lodge Ropes Course

Teamwork Fundamentals

Fun, Connection, Excellence

Revolutionize the way your team interacts and resolves differences.

Communication is at the root of productivity. Poor communication within your team means it takes longer to get stuff done. This is negatively impacting your bottom line.

Teamwork Fundamentals is designed to:

- Enhance communication
- Improve collaboration
- Engage strategic thinking

Your team will:

- Play, laugh and have fun
- Develop teamwork skills they will take back to the workplace
- Build relationships, respect and trust

Participants will participate in a variety of activities on-site or at a venue of choice.

"The lessons were eye-opening and we grew as a team; overall, an awesome experience!"
~ Marie S. - Newalta
